

Jones Laboratory

D19

[If you have comments, send additional information](#)

Address: 5747 South Ellis Avenue

Year Construction: 1929

Year Acquired: 1929

Architect: Coolidge and Hodgdon

Gross Square Feet: 72,388

Primary Use: Laboratory

Design Zone: Main Quadrangle

Last Major Renovation:

Multiple lab renovations 1980's through 2008

Comments:

Renovation trajectory converting space from labs to offices. Multiple renovations of lab space 1980's through 2008; renovations 2011 as part of enabling projects for the William Eckhardt Research Center.

REGULATORY STATUS

National Register:

NR Historic District:

Hyde Park-Kenwood Historic District

Chicago HRS Color Code: Orange

1 - Site

Land Ownership Status: Owned

Location - Physical:

Integrally connected to adjacent physical sciences facilities.

Location - Program Adjacency:

Connected to Kent and Searle Laboratories via enclosed and open walkways.

Location Comment:

No comment

2 - Adaptability

Construction Type:

Reinforced concrete construction

Accessibility:

Entrance - N (ADA entrance through Searle and Kent);

Bathrooms - N

Floor-to-Floor Height:

1st: 13'-4", 2nd, 3rd, 4th: 13'-0"

Structural Capability:

Highly adaptable subject to structural analysis

Adaptability Exterior:

Exterior adaptation or addition would require sensitivity to integrity of existing facades.

Adaptability Interior:

Offices, classrooms and laboratories - highly adaptable within construction type constraints.

Adaptability Physical Features:

No Comment

Adaptability Structure:

Highly adaptable within construction type constraints - original building was planned for flexibility in layout.

3 - Building Envelope

Roof Type: Clay Tile (1999)

Exterior Facade:

Limestone

Exterior Base: Limestone

Exterior Trim: Limestone

4 - Heritage and Historic

Landmark Status:

Room 405 has National Historic La

National Register:

NR Historic District:

Hyde Park-Kenwood Historic District

NR Comments:

National Historic Landmark Site - Room 405. Item #122 on district nomination form

CHRS Comments:

Possesses potentially significant architectural or historical features
