

Charles M. Harper Center E44

[If you have comments, send additional information](#)

Address: 5807 South Woodlawn Avenue

Year Construction: 2004

Year Acquired: 2004

Architect: Rafael Vinoly

Gross Square Feet: 457,279

Primary Use: Academic Office

Design Zone: Main Quadrangle

Last Major Renovation:

None

Comments:

The Charles M. Harper Center houses classrooms, labs, and offices for the Booth School of Business with underground parking. The building contains an antique trading booth donated by the New York stock exchange. The Rothman Winter Garden features a Gothic vault made of glass and steel. The design of the Harper Center acknowledges the adjacency of Frank Lloyd Wright's Robie House with a series of terraced platforms.
